i then throw on a cover and we did cow girl so i can suck her tits.... then we did doggie and that's nice .. she laid there for a long time and she felt sour... i decided to fish in this position with a few hard pounding and she responded with her ass to fight back... great ass to pound on...

i was going to take some pic and video but she dimmed the light so i did not get chance... maybe next time

i like watch girls in good light to enjoy them when they moaning and move their bodies...
