manticore_10's Review of Alex - Spicy Details

General Description I repeated a few times since i reviewed her. and the more i saw her. the more i am into her. she is the type you can have smart conversation with. try her and worth it.

The Juicy Details As i reviewed before, she is a small build with small boobs but very nice skin and body shape. some kisses and we are on the bed touching and sucking... cbj followed by cg when i played and pinched her nipples.. i like woman enjoy nipple pinching... flipped with some doggie to enjoy her ass and finish in fs but give my drops to her mouth as we have been friends. a girl friend who is on her knee for u is a good friend...lol good time... good svc as usual and u know she is safe...
